Eyelation's Safety Benefits Management Platform

The Eyelation Safety Benefits Management Platform™ solution is the simplest and most cost-effective way to manage safety benefits, procure safety products for employees, and create a safer work environment.

About

Eyelation has been providing prescription safety eyewear since its inception in 2009 with its innovative Prescription Safety Eyewear Program and Safety Benefits Management Platform, which includes an online platform and administrative website. For qualifying customers, on-site kiosks may also be provided. They offer over 125 distinctive styles and colors from brands like **ArmouRx**, **Bollé**, **HiDX**, **Hudson**, **USA Workforce**, and **WileyX**.

Key Benefits

The Safety Benefits Management Platform gives every employee, on every shift and at every location, the ability to order their company-approved prescription safety glasses when it's convenient for them!

- 24/7 access to online ordering
- Orders are reviewed by professional opticians
- Fast, no-charge shipping
- 30-day guarantee exchanges and returns
- Customizable by department — employees only have access to approved frames, lenses, and options.
